

**SPECIAL EVENTS CALENDAR—
MANY VOLUNTEERS NEEDED**

It is our goal to commemorate the 2010 *150th anniversary* in at least one special way each month, with our traditional events as well as some one-time events. Below are the monthly events that have been determined so far. Planning continues. Indicated here are the existing organizing groups as well as where the needs are for special event committees. Many people have expressed interest in being a part of the planning—many have done so in passing with various staff members. It would be very helpful, if you are interested in being part of the anniversary organizers, if you would please confirm by clipping, completing and returning this form to the Malley Building—via the collection basket, mail, or drop off. It can be found on our website when you click on the 150th anniversary logo. Many thanks to all!
